

tED MAGAZINE

A monthly textbook for the electrical distribution channel.

tED magazine is the voice of top electrical distributors in North America. From national chains to successful independents, tED is read by the best companies in the industry. While targeted to the distributor salesperson, tED is also read by key executives. The publication is known for addressing the tough issues within the channel. If you have a message or product to get in front of the electrical channel, tED's readers are the top performers and decision makers you need to reach.

Published every month, tED provides:

- Green initiatives and alternative markets
- Market trend data
- New product information
- Best practices of electrical distributors
- Lighting features
- Economic outlooks
- News of both electrical distributors and suppliers
